

Samarth Srivastava

Prayagraj, Uttar Pradesh, India · samarth.srivastava@students.iiserpune.ac.in · +91 8840793086

Research Interests

Black Hole Physics, Dark Matter Phenomenology, High-Energy Astrophysics, Cosmology, Neutrino Physics, and the Interstellar Medium (ISM).

Educational Qualifications

Indian Institute of Science Education and Research (IISER), Pune *Aug 2025 – Present*
BS-MS Dual Degree (Expected Graduation: 2030) *Pune, India*

- **Academic Standing:** Semester 2 GPA: 7.9 | Semester 1 GPA: 7.5
- **Relevant Coursework:** Introductory Mechanics, Introduction to Electromagnetism, Linear Algebra, Calculus

Central Hindu Boys School [Banaras Hindu University] *May 2024*
CBSE (Class XII Standard) *Varanasi, India*

- **Aggregate Score:** 86.80% | **Stream:** Science (PCM)

St. Thomas Senior Secondary School *July 2022*
CBSE (Class X Standard) *Karwi, Chitrakoot, India*

- **Aggregate Score:** 95.20%

Academic Programs & Certifications

Intro2Astro: Introduction to Astronomy Research *Summer 2026 (6 July – 3 August)*
Online Global Workshop

- Selected for an intensive, competitive 6-week program introducing foundational tools and workflows utilized in professional astrophysics research.

Python4Physics (REYES Program) *Summer 2026 (15 June – 10 July)*
University of California, Berkeley (Remote)

- Gained foundational skills in using Python for scientific computing, modelling physical systems, and data analysis.

Introductory School on Astronomy and Astrophysics *2026 (8 June – 27 June)*
IISER Mohali (Online)

- Attended intensive lecture modules covering stellar evolution, galactic dynamics, and observational techniques.

Technical & Soft Skills

- **Programming & Software:** Python (Scientific packages: NumPy, Matplotlib)
- **Languages:** English (Fluent), Hindi (Native)
- **Core Competencies:** Data Analysis, Team Management, Project Coordination

Leadership & Extracurricular Activities

Core Team Member *IISER Pune*
Hindi Club

- Coordinated cultural events and literary activities; performed original poetry at institutional level stage events.

Event Coordinator *IISER Pune*
Student Community Project

- Led logistics, financial budgeting, and operations for a large-scale campus community feast serving 1,500 students on the occasion of Ram Navami.

Core Team Member *IISER Pune*
Karavaan '26 (Annual Cultural Fest)

- Managed sponsorship, logistics, hospitality, designing, and media; organized E-sports tournament ensuring smooth execution of multi-day inter-college events.
